Reading/Language-Ms. McCall

mmccall@johnrexschool.org

Black History Month projects have been turned in. The projects look GREAT! This week, we will be working on figurative language. We will focus on similes, metaphors, hyperbole, onomatopoeia, alliteration, and idioms. Students have been practicing a new reading skill called UNRAAVEL. You will begin seeing 1-2 reading passages come home each week until testing.

Please take the time to sit down with your child to work through each passage. They will HIGHLY benefit from your guidance and support. Testing will be here before we know it, and this is a great way to prepare early.

HW: New Reading Log due March 3rd

UNRAAVEL reading passages weekly (more info on class dojo)

Math-Mrs. Liles

wiles@johnrexschool.org

This week they are working hard on studying the relationship between fractions and decimals. Later this week, we will look at multiplying two digit numbers by two digit numbers. Please be sure you are practicing your multiplication facts at home.

HW: Monday Math!

Science/Social Studies-Mrs. Feagins
