Reading/Language-Ms. McCall

mmccall@johnrexschool.org

This week in reading, we will be working on figurative language. We will focus on similes, metaphors, hyperbole, onomatopoeia, alliteration, and idioms. Students have been practicing a new reading skill called UNRAAVEL. You will begin seeing 1-2 reading passages come home each week until testing. Please take the time to sit down with your child to work through each passage. They have been instructed to get these signed or initialed and return the next day. They will HIGHLY benefit from your guidance and support. Testing will be here before we know it, and this is a great way to help your child prepare. The OCCT Reading Test has been bumped up to April 4th and 5th.
