This week, we will be reviewing Main Idea and Details. On Tuesday and Wednesday, we will take the OCCT Reading Test. Your student will not have homework this week, other than reading at home. Please be sure that your child gets a good night's sleep, and comes to school rested and focused. Looking ahead, we will begin novel studies to round out our year.

**HW:** No Reading Log until after testing (Your child should still be reading though!)

### **Math-Mrs. Liles**

This week we are reviewing all 4th grade math skills! Even though homework and Monday Math are not being assigned, I always encourage extra practice at home for multiplication and division facts, Prodigy and Khan Academy. The questions on Prodigy right now are specific to the 4th grade OCCT test!

**HW:** Get good rest and eat a great breakfast for OCCT tests!
