

## 4th Grade Rocket Weekly Update

*JRCES loves the arts and recognizes the importance the arts play in our students' lives. This year's school calendar has two vacation days scheduled to be closed the last week of April. School will be closed on Thursday, April 27 & Friday, April 28. We hope you take advantage of these days off so you may spend some quality time with your child celebrating the arts at the Arts Festival without having to take your child out of school to attend.*

*We ask that parents not check students out of school on any of the other school days during this week to attend the Arts Festival. We do ask that you try to schedule any doctor's appointments, etc. on the two days that we will be closed. We can enjoy the Arts Festival and yet maintain our high attendance rate (which is also calculated into our final A-F State Letter Grade).*

*Please consider volunteering for the Arts Festival on **Tuesday, April 25th** (John Rex is responsible for filling slots on that day only)! Many elementary schools surrounding John Rex have had their art programs cut and the budgets are still shrinking. Please volunteer and ensure that the kids who make it to the Arts Festival will have a quality art experience! The second and third shifts are really low on volunteers. No art experience required for the volunteers, it is a simple project that only requires a little guidance and supply distribution!*

**Reading/Language-Ms. McCall**  
[mmccall@johnrexschool.org](mailto:mmccall@johnrexschool.org)

This week, we will spend two days learning about and discussing the OKC Bombing and Memorial. I hope to give a better understanding of the event in light of the 22nd anniversary fast approaching. We will soon begin a novel unit that will run through the end of the school year.

Each student will be given the opportunity to choose one novel to read out of four choices. They will read and complete assignments based off of the book they choose. They will also have a final project toward the end of the novel study.

**HW:** May have assignments that go along with novel unit (to come)

---

**Math-Mrs. Liles**

[wliles@johnrexschool.org](mailto:wliles@johnrexschool.org)

This week we working on multiplication and division fact fluency. I always encourage extra practice at home for multiplication and division facts, Prodigy and Khan Academy.

**HW:** If they have homework this week, it would be to finish an assignment they did not get completed in class. I will message on Class Dojo if I feel a majority of students have to complete an assignment at home.

---

**Science/Social Studies-Mrs. Feagins**
