

4th Grade Rocket Weekly Update

Thank you for checking out the updates for this week!

****CHANGE**PLEASE READ BELOW****

Dear Parents,

In order to best serve the needs for our students, we will no longer be using Class Dojo to document points regarding student behavior in the classroom. We **WILL** continue to use the Class Dojo messaging/picture features as a method of communication. Mrs. Feagins homeroom will no longer use Liveschool for points. She will be using Class Dojo for messaging/pictures. Today students were introduced to a new 3-Step Plan for incorrect behavior.

Step 1: Students will be given a nonverbal or verbal reminder by the teacher.

Step 2: Students will verbalize to the teacher what they are doing incorrectly and what the behavior looks like when done correctly.

Step 3: If the incorrect behavior continues, the student or teacher will write in the agenda. **It is VERY important that parents are checking student agendas and signing them nightly as this is where the behavior will be documented.** If the student receives a mark in their agenda and it is not signed the following day by a parent, a call home will be made. Students that receive excessive marks in their agenda will call home and report their behavior. Discipline referrals will be written for repeated offenses, as necessary.

We will be tracking and rewarding good behavior and kindness as well! Ask your student about the **Fuel Up Rocket beads!**
