

4th Grade Rocket Weekly Update

Thank you for checking out the updates for this week!

Parents:

Since the weather is changing, we are seeing students in their fall attire. This is to remind you that leggings and socks are to be the solid colors of blue, black, white and brown. Patterns are not part of the uniform. Sweatshirts cannot have any visible logos or writing, except for John Rex logo, and should be solid white or navy. If you have questions regarding the uniform or our uniform policy, please contact Mrs. Fulmer.

SAVE THE DATE! JRCES Enrichment Cluster Product Fair will be held on Dec. 16th, 4:30-6:00. Please look for details in next week's Thursday Folder! Enrichment Clusters are held each Friday from 2:00-3:00 grades 1st - 4th. Ask your child about the exciting experience.

Upcoming Important Dates:

****Don't forget to send in your Box Tops****

12/16-Enrichment Cluster Showcase 4:30-6:00 pm

Have you signed up to be a part of the John Rex Team for the OKC Memorial Kids Marathon?

Reading/Language-Ms. McCall

mmccall@johnrexschool.org

This week, we are continuing our work in Unit 4 of our reading curriculum. We will be focusing on summarizing information and realistic fiction. There is no reading log this week. Your student's homeroom teacher has gone over their most recent MAPS test scores. Please be sure to discuss this with your child. We will also be completing the BAS reading tests this week.

HW: No Reading Log this week

Math-Mrs. Liles

wliles@johnrexschool.org

This week we will continue Unit 3 on fractions. We will be looking at equivalent fractions and order fractions from least to greatest or greatest to least. A great way to begin talking to your student about fractions is while driving on the highway. Talk to them about what it means when an exit is $\frac{1}{4}$ or $\frac{1}{2}$ a mile a way, for example. While you are cooking is another great

conversation! Have them put the measuring cups in order from least to greatest without looking at them. Ask them to figure out how many $\frac{1}{4}$ cups are in a $\frac{1}{2}$ cup, for example.

HW: NO Monday Math this week!

Science/Social Studies-Mrs. Feagins

jfeagins@johnrexschool.org

This week we will review the Southwest Region, and start discussing the Southeast Region of the U.S.

HW: Review the Southwest states and capitals,
